
Many people forget to count their children under the age of five in the census. If you are a parent or guardian, remember to count your children. Their future depends on you.

Your count ensures:

- **Representation** - Equitable government representation as our population grows
- **Funding** - More federal funds for state and local programs, such as
  - Education
  - Housing
  - Roads
  - Public transportation
  - Public safety
  - Healthcare
  - Senior care
  - Neighborhood improvements
  - Parks and recreation
- **Information** - Better census data to help businesses decide where to build factories, offices and stores that lead to new jobs.

YOUR COMMUNITY IS COUNTING ON YOU!
