The Edgewood Recreation & Community Center

1980 Brookside Drive / Edgewood, Maryland 21040 / 410-612-1606

Play And Learn

Infants thru Age 3

Cost: $2.00/Entire Session, now thru 12/30/11

Limited Registration. First Come/First Served

Parents/Caregivers and their young children are invited to visit the Edgewood Recreation and Community Center's Gymnasium, every Tuesday, Thursday and Friday, from 10:30am-11:30am, to spend one-on-one time together.

Designed **specifically** for infants and toddlers with parents/caregivers. **Please be sure to make arrangements for your older children**, as this program is for children infants through 3 years of age only with qualifying adult supervision at all times.

Caregivers and their young children can play interactively. Please take advantage of this opportunity to engage with your children! We hope this program provides a safe, educational, and fun environment for you and your children. These are teachable moments that will last!

We know that the engagement of parents and caregivers with their young children through reading and playing together is key to their child's success. We hope that this time provided at the Edgewood Recreation and Community Center is where books and purposeful play come together to provide valuable experiences that nurture young children and support parents and caregivers in their role as their child's first and best teacher.

Please feel free to bring a blanket, your child's books and/or activities (please be sure only your children have access to these items as they may not be appropriate for the other children; therefore, supervision at all times is required and mandatory).

Have fun playing with your children! Marvel in what your children can do. Follow their lead. Encourage them to take each learning experience farther.
