Ridge Road Reopened between Old Pylesville Road and Heaps School Road

BEL AIR, Md., (Dec. 20, 2019) - Ridge Road between Old Pylesville Road and Heaps School Road in Pylesville has reopened to all traffic following completion of a project to repair the failed slope. Costs for this project were significantly reduced by working with a nearby property owner and by having Harford County's District 3 Highways shop shift the road toward the opposite embankment by about five to six feet. This eliminated the need to rebuild the embankment in its original location and saved approximately \$200,000. Harford County DPW Highways Division would like to thank local residents for their patience as work was completed; everyone is urged to please drive carefully through the area as motorists get accustomed to the new alignment.
