## Eden Mill Road Reopened in Pylesville Following Emergency Bridge Replacement

**BEL AIR, Md.**, (Jan. 17, 2020) - Eden Mill Road at the bridge over Big Branch in Pylesville has reopened to all traffic following successful completion of a bridge replacement project. Originally planned as a simple deck replacement, the project had to be completely redesigned, advertised and contracted after a flash flood hit in August 2018 causing extensive damage around the abutments, in addition to structural beams that were in worse condition than originally anticipated. Harford County Department of Public Works appreciates the public's patience during this complex project.

*Eden Mill Road reopened*
