Picture Yourself Enjoying Harford Streams Summer Adventure: Visit Harford Streams, Send in Selfies, Win Prizes

BEL AIR, Md., (May 20,2020) - Explore the natural beauty of Harford County streams this summer, take selfies at your favorite locations and win prizes in Harford Streams Summer Adventure, a program from the Harford County Department of Public Works' Office of Watershed Protection and Restoration.

Harford Streams Summer Adventure raises awareness and support for protecting natural resources by encouraging residents to visit Harford's scenic waterways. Harford County residents of all ages are welcome to join in the program, which will be open May 22 through September 7, 2020.

Participation is easy. Simply register and choose places to visit from the list of Harford stream locations, with the option of substituting up to five locations of your own. Use Harford Streams' online app to send in selfies from seven different locations to earn a free Harford Streams Summer Adventure T-shirt. All participating furry friends will receive a bandana.

Visit 11 locations for a chance to win a guided pontoon boat ride on Otter Point Creek at the Anita C. Leight Estuary Center; visit 15 spots for a chance at a canoe trip on Deer Creek at Eden Mill Nature Center.

"We treasure Harford County's streams and we want to raise awareness about preserving them for future generations," County Executive Barry Glassman said. "I hope you'll join me this summer in visiting and revisiting some of these special places in our own backyard."

Visit the county website today to register for the program, view a complete list of Harford stream locations and start uploading selfies with a stream in the background to qualify for prizes at <http://bit.ly/HSSummerAdventure>.
