## **Glenville Road in Darlington Closed to Traffic Indefinitely for Repairs**

**BEL AIR, Md., (January 5, 2021)** - Glenville Road about one-quarter of a mile from its intersection with Stokes Road in Darlington will be closed to all through traffic until further notice while the road is repaired by Harford County Department of Public Works.

The road and supporting slope were substantially damaged by a collapsed tree and erosion.

Emergency vehicles and school buses will not be permitted through the worksite. Drivers who use this roadway should make alternate arrangements.

Questions about the project should be directed to Naveed Shah, 410-638-3545 ext. 1395.

A map of this and all other planned county road closures is online at

<http://www.harfordcountymd.gov/1164/Road-Reports>.
