ADOPTION OF MIUNUTES FROM PREVIOUS MEETING:

Dave Seman:

- Minutes from our March 14, 2018 meeting were approved by the Executive Board members.
- Our past meeting minutes can be viewed on the County website at, <http://www.harfordcountymd.gov/1634/Jarrettsville-Norrisville>
- We also email minutes to our email list. Please let us know if you would like your email added to our mailing list.

OLD BUSINESS:

Stop Transource Power Lines Harford County:

Aimme O'Neill:

- Please continue to support your neighbors by helping fight Transource's proposal.
- Both the Harford County Council and Executive Glassman oppose this project. The County's attorney has met with Stop Transource Harford County Leadership and Attorney Jim Rutledge who represents two of the affected landowners.
- The Maryland General Assembly have passed 3 bills related to overhead power line construction, that were sponsored by Harford County legislators.
- This new legislation is a victory for 1 part of the Stop Transource fight; to prevent future for profit companies the right to take private property through eminent domain. The 2nd part is convincing the Public Service Commission that this project should not continue.
- Transource filed their application with the Maryland Public Service Commission on 12-27-17.

- Public Service Commission will hold hearings in Harford County during the months of September and November 2018. Please consider being present at these meeting as the number of people who turn out in support will affect the PSC's decision.
- Please sign up for important notices by emailing, stoptransourceiec@gmail.com
- Follow the group on Facebook, Stop Transource Power Lines Harford County, MD
