- The top 3 calls for service are the same as this time last year but the number of incidents is down;
animal complaints, alarm calls and suspicious activity.
- Please continue to lock all buildings and vehicles as a standard precaution. Thieves are targeting vehicles in areas where they know wallets and purses are likely to be left in the car. Examples of places being targeted are daycares and walking trails.
- Harford County is experiencing county wide mailbox thefts. Please be care placing checks or personal information in an unlocked outgoing mailbox. Two incidents of mailbox thefts have been reported in our area on Furnace and Bradenbaugh roads.

- Chad has written a letter to Governor Hogan related to the traffic safety concerns at the Grafton Shop and 23 intersection. He requested that a roundabout become an urgent priority. The Forest Hill Citizen Advisory Board has also written a letter supporting this effort on behalf of the community.
 - o No response from Governor Hogan yet.
