SUPPORT
 to meet your needs.

Every 10 years, everyone living in each community is counted. Census participation helps distribute funding and establish fair representation for all communities.

Everyone's participation in the census leads to:

- Fair representation in government
- Better government advocacy to address your needs
- More funds to meet the needs of your community
- More jobs

The U.S. census is a count of everyone where they live and sleep most of the time. Everyone includes babies, young children, teens and adults.

- Mobile-friendly census form available mid-March 2020
- Please submit forms by **April 1, 2020**
- By law (Title 13) information is kept confidential
