

College students count too!

An accurate count gives voice on issues important to you.

Everyone's participation in the census leads to:

- Fair government representation
- More jobs
- Funding for education

The U.S. census is a count of everyone where they live and sleep *most* of the time. College students are counted where they live and sleep on April 1, 2020.

It's free to invest in your future. How?

Complete the mobile-friendly census form between

MARCH 15 - MAY 30
