### **Bel Air Giant Food Celebrates Store Renovation** *County Executive Craig on Hand for Re-Opening Event*

(Bel Air, MD) - - Harford County Executive David R. Craig was on hand last week for the re-opening of the Bel Air Giant Food store located in the 1400 block of Rock Spring Road in the Rock Springs Shopping Center. The store is part of Giant Food's three year project to re-model or replace 100 Giant Stores throughout the Maryland, Washington, D.C., Northern Virginia and Delaware region.

Throughout the weekend, Giant Food held a number of activities at the store including raffles, tasting opportunities of new recipes, cookie decorating for children and a variety of musical entertainment to mention a few.

"We congratulate Giant Food on an outstanding refresh of the Bel Air store," remarked County Executive David R. Craig. "Shoppers will find a bright, clean and shopper friendly store at the new and improved Giant Food store in Rock Spring," the county executive stated.

Shoppers at the renovated Bel Air Giant Food store will enjoy new time-saving, convenient tools including Scan It, hand-held devices allowing customers to scan and bag their groceries while they shop and ORDER IT - Giant's "Delivision" digital kiosk which allows customers to place orders digitally and continue shopping, then sends alerts when the order is ready.

Giant Food LLC is headquartered in Landover, Maryland and operates 182 supermarkets in Maryland, Virginia, Delaware and the District of Columbia.
