 10/12/22  
Approved  Date

## **PROCEDURE TO CLOSE THE MEETING**

I propose the Committee go into closed session as permitted by Sections 3-305 (b)(1) and (b)(13) of the General Provisions Article and also Sections 4-310 and 311 of the General Provisions Article in order to conduct the first interview of one candidate and a second interview of another candidate. The Committee will further discuss whether to schedule any other interviews. Should the Committee decide to not schedule any additional interviews, then the Committee will decide whether any candidate already interviewed will be recommended to the County Council for consideration as Health Officer. This is a personnel matter and will involve a discussion of the application and related information which involves protected confidential information.

The General Provisions Article Sections 4-310 and 311 require the shielding of employment applications and letter of recommendation.

**Request a motion to go into closed session. After the second, you need a roll call vote on the motion to adjourn to closed session.**

After the vote, assuming it is affirmative, **read** the following statement:

“Copies of the written statement of the reasons for closing this meeting will be made available to anyone who wants one now.

The Committee **DOES NOT Plan** to return to open session following the completion of the closed session.

And now the Health Officer Search Committee will go into closed session under sections §3-305 (b), 4-310 and 4-311 of the General Provisions Article.
