DILPM- 000140-2020**

The Harford County Electrical Board met in the 1st floor conference room, Department of Inspections, Licenses and Permits, at 220 South Main Street on February 5, 2020. The following members were present:

**Members:**

Tom Awalt, Vice Chairman  
William Smith  
Steve Garey  
James Wright  
Milford Badders, Chief, Electrical Service  
Gina Goetzke, Secretary to the Board

The Board reviewed and approved the meeting minutes from January 8, 2020.

**NEW BUSINESS:**

The Board determined the date for the next exam will be scheduled for Monday, May 18, 2020.

The Board graded the exams taken on January 28, 2020.

The Board discussed the Licenses of Joseph Cooper, Jr. (failed to appear for the meeting), Michael Milne (present for the meeting), and Robert Christopher Strebeck (present for the meeting). It was determined by the Board that the license holders' failed to renew for one full renewal term of 2 years and therefore will be required to take an exam in order to reinstate/restore their licenses.

The Board discussed exam applicants/applications that have been submitted and the applicants failed to show for their scheduled exam. The Board noted that there is a section in the Annotated Code of Maryland under Section 6-306 that addresses the failure to appear for exams and allows that the state be able to require the applicant to submit a new application and pay another examination fee. The Board requested that this subject be presented at the next Board meeting scheduled for March 4, 2020 to include other members of the Department of Inspections, Licenses and Permits.

The Board discussed confidential notification received from the State of Maryland State Board of Master Electricians dated January 30, 2020 regarding the revocation of a license in Charles County, Maryland.
