## PROCEDURE TO CLOSE THE MEETING

I propose the Committee go into closed session since this is a personnel matter. It would be inappropriate to review the applications and any letters of recommendation and background checks and interview candidates in public pursuant to Sections 3-305 (b)(1) and (b)(13) of the General Provisions Article and also Sections 4-310 and 311 of the General Provisions Article for the reason that the public interview and discussion of candidates could disclosure confidential protected information and also discourage individuals from accepting the offer to be interviewed for the position and the General Provisions Article Sections 4-310 and 311 require the shielding of employment applications and letter of recommendation.

WAGNER  
ANDRE

**Request a motion to go into closed session. After the second, you need a roll call vote on the motion to adjourn to closed session.**

After the vote, assuming it is affirmative, **read** the following statement:

“Copies of the written statement of the reasons for closing this meeting will be made available to anyone who wants one now.

The Committee **DOES NOT Plan** to return to open session following the completion of the closed session.

And now the Health Officer Search Committee will go into closed session under sections §3-305 (b), 4-310 and 4-311 of the General Provisions Article.
