PROCEDURE TO CLOSE THE MEETING

I propose the Committee go into closed session as permitted by Sections 3-305 (b)(1) and (b)(13) of the General Provisions Article and also Sections 4-310 and 311 of the General Provisions Article in order to conduct a second interview of a candidate since this is a personnel matter. The Committee will also discuss if any other applicants should be interviewed and this discussion will also involve protected confidential information.

Moreover, the General Provisions Article Sections 4-310 and 311 require the shielding of employment applications and letter of recommendation.

Request a motion to go into closed session. After the second, you need a roll call vote on the motion to adjourn to closed session.

After the vote, assuming it is affirmative, **read** the following statement:

“Copies of the written statement of the reasons for closing this meeting will be made available to anyone who wants one now.

The Committee **DOES NOT Plan** to return to open session following the completion of the closed session.

And now the Health Officer Search Committee will go into closed session under sections §3-305 (b), 4-310 and 4-311 of the General Provisions Article.
