## **Harford County to Lift Mask Requirements in County Government Buildings Effective Feb. 1**

**BEL AIR, Md.**, (Jan.31, 2022) - Harford County Executive Barry Glassman announced today he will lift the mask requirement for visitors in county government buildings and for county employees who interact with the public. The new policy will take effect Tuesday, Feb. 1, 2022.

“The recent surge in COVID-19 cases and hospitalizations is subsiding in Harford County consistent with the drop in statewide metrics,” County Executive Glassman said. “While masks will no longer be required in county government buildings, I continue to encourage citizens and county employees to manage their personal risk, get tested if they have symptoms, and get the vaccine and booster as the best way to avoid serious illness.”
