## SECTION 3.2. Registration and Transfer of this Agreement.

(a) Until the Purchase Price and all interest thereon have been paid in full, the Registrar, on behalf of the County, shall maintain and keep at the offices of the Registrar, registration books for the registration and registration of transfer of ownership of this Agreement. The ownership of this Agreement may not be transferred or assigned, except upon the written approval of the County.

(b) The Seller is the initial Registered Owner. This Agreement shall be transferable only upon the written approval of the County and upon the books of the County maintained for such purpose by the Registrar, at the written request of the Registered Owner as then shown on such registration books or such Registered Owner's attorney duly authorized in writing, together with a written instrument of transfer substantially in the form attached hereto as Exhibit C, or as may otherwise be satisfactory to and approved by the Registrar in writing, duly executed by such Registered Owner or such Registered Owner's attorney duly authorized in writing. The Registrar shall complete the Schedule of Transferees attached hereto as Exhibit D with the name, address and tax identification number of the transferee Registered Owner, the date of the transfer and the outstanding principal balance of the Purchase Price as of the date of transfer; provided, however, that if there is any conflict between the information set forth in Exhibit D hereto and the registration books maintained by the Registrar, the information shown on such registration books shall control.

The County and the Registrar may deem and treat the person in whose name this Agreement is registered upon the books of the County maintained by the Registrar as the absolute owner of this Agreement, whether any payments hereunder shall be overdue or not, for the purpose of receiving payment of, or on account of, the Purchase Price and interest thereon and for all other purposes, and all such payments so made to any such Registered Owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon this Agreement to the extent of the sum or sums so paid, and neither the County nor the Registrar shall be affected by any notice to the contrary.

For every registration of transfer of this Agreement, the County or the Registrar may make a charge sufficient to reimburse themselves for any tax or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such transfer as a condition precedent to the exercise of the privilege of registering such transfer.

SECTION 3.3. Mutilated, Lost, Stolen or Destroyed Agreement. In the event that this Agreement is mutilated, lost, stolen or destroyed, the County and the Registered Owner (as then shown on the registration books maintained by the Registrar) shall execute a substitute for this Agreement having the same terms as that of this Agreement mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Agreement, such mutilated Agreement shall first be surrendered to the Registrar, and, in the case of any lost, stolen or destroyed Agreement there shall be first furnished to the County and the Registrar evidence of such loss, theft or destruction satisfactory to the County and the Registrar, together with indemnity satisfactory to each of them in their sole discretion. The County and the Registrar may charge the Registered Owner requesting such new Agreement their expenses and reasonable fees, if any, in this connection. If

after the delivery of such substitute Agreement, a bona fide purchaser of the original Agreement (in lieu of which such substitute Agreement was issued) presents for payment such original Agreement, the County and the Registrar shall be entitled to recover such substitute Agreement from the person to whom it was delivered or any other person who receives delivery thereof, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor or otherwise to the extent of any loss, damage, cost or expense incurred by the County and the Registrar in connection therewith.

## ARTICLE IV REPRESENTATIONS AND WARRANTIES

SECTION 4.1. Representations and Warranties of the County. The County makes the following representations and warranties:

(a) The County is a body corporate and politic and a political subdivision of the State.

(b) The County has the necessary power and authority to acquire the Development Rights in the Land, to enter into this Agreement, to perform and observe the covenants and agreements on its part contained in this Agreement and to carry out and consummate all transactions contemplated hereby. By proper action, the County has duly authorized the execution and delivery of this Agreement.

(c) This Agreement has been duly and properly authorized, executed, sealed and delivered by the County, constitutes the valid and legally binding obligation of the County, and is enforceable against the County in accordance with its terms.

(d) There are no proceedings pending or, to the knowledge of the County, threatened before any court or administrative agency which may affect the authority of the County to enter into this Agreement.

SECTION 4.2. Representations and Warranties of the Seller. The Seller makes the following representations and warranties:

(a) The Seller has full power and authority to execute and deliver this Agreement and the Deed of Easement, and to incur and perform the obligations provided for herein and therein. No consent or approval of any person or public authority or regulatory body is required as a condition to the validity or enforceability of this Agreement or the Deed of Easement, or, if required, the same has been duly obtained.

(b) This Agreement and the Deed of Easement have been duly and properly executed by the Seller, constitute valid and legally binding obligations of the Seller, and are fully enforceable against the Seller in accordance with their respective terms.

(c) There is no litigation or proceeding pending or, so far as the Seller knows, threatened before any court or administrative agency which, in the opinion of the Seller, would materially adversely affect the authority of the Seller to enter into, or the validity or enforceability of, this Agreement or the Deed of Easement.

(d) There is (i) no provision of any existing mortgage, indenture, contract or agreement binding on the Seller or affecting the Land, and (ii) to the knowledge of the Seller, no provision of law or order of court binding upon the Seller or affecting the Land, which would conflict with or in any way prevent the execution, delivery, or performance of the terms of this Agreement or the Deed of Easement, or which would be in default or violated as a result of such execution, delivery or performance, or for which adequate consents, waivers or, if necessary, subordinations, have not been obtained.

(e) There exist no liens or security interests on or with respect to the Land (other than Permitted Encumbrances).

(f) The Seller is not a nonresident alien of the United States of America for purposes of federal income taxation.

(g) By a separate, non-public document, the Seller shall disclose the Seller's Employer Identification Number to the County. The Seller shall, upon request of the County, execute U.S. Treasury Form W-9 and deliver the same to the County for filing.

The representations in subsections (f) and (g) above are made under penalties of perjury and the information contained therein may be disclosed by the County to the Internal Revenue Service. The Seller acknowledges that any false statement in such subsections or the documents referred to therein could be punished by fine, imprisonment or both.

## ARTICLE V PROVISIONS RELATING TO EXCLUSION OF INTEREST FROM INCOME FOR FEDERAL INCOME TAXATION

SECTION 5.1. Intent of County and Tax Covenant of County. The County intends that the interest payable under this Agreement shall not be includible in the gross income of the Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code. Accordingly, the County shall not knowingly take or permit to be taken any other action or actions or omit or fail to take any action, which would cause this Agreement to be an "arbitrage bond" within the meaning of Section 148 of the Code, or which would otherwise cause interest payable under this Agreement to become includible in the gross income of any Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code.

SECTION 5.2. Acknowledgment of Seller with Regard to Tax Consequences of Transaction. The Seller hereby acknowledges receipt of an opinion from Miles & Stockbridge P.C., Bond Counsel, dated the Closing Date, to the effect that under existing laws, regulations, rulings and decisions, interest payable under this Agreement is not includible in the gross income of the Registered Owner for federal income tax purposes, which opinion assumes continuous compliance with certain covenants in the Tax Certificate and Compliance Agreement to be executed and delivered by the County on the date of delivery of this Agreement and assumes that the Land will be used solely for Agricultural Use and is otherwise limited in accordance with its terms. The Seller acknowledges that the Seller has made the Seller's own independent investigation and has consulted with attorneys, accountants and others selected by the Seller in the Seller's sole discretion with respect to all other tax considerations related to the transaction contemplated hereby (including, but

not limited to, installment sales treatment under Section 453 of the Code, charitable contribution deductions under Section 170 of the Code, exchange of like property under Section 1031 of the Code, and federal estate tax implications); and the Seller certifies that the Seller has not looked to or relied upon the County or any of its officials, agents or employees, or to Bond Counsel, with respect to any of such matters.

## ARTICLE VI THE REGISTRAR

SECTION 6.1. Appointment of Registrar. The Treasurer of the County is hereby designated and appointed to act as Registrar for this Agreement.

SECTION 6.2. Change of Registrar and Appointment of Successor Registrar. The County shall have the right to change the Registrar at any time by filing with the Registrar to be removed, and with the Registered Owner, a resolution of the County Council appointing a successor Registrar. Notwithstanding the foregoing, such removal shall not be effective until a successor Registrar has accepted such appointment and assumed the Registrar's duties hereunder.

SECTION 6.3. Qualifications of Successor Registrar. Any successor Registrar shall be either (a) the Treasurer of the County, (b) an officer or employee of the County, or (c) a bank, trust company or other financial institution duly organized under the laws of the United States or any state or territory thereof which is authorized by law and permitted under the laws of the State to perform all the duties imposed upon it as Registrar by this Agreement.

SECTION 6.4. Successor by Merger or Consolidation. If the Registrar is a bank, trust company or other financial institution, any institution or corporation into which the Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Registrar hereunder shall be a party or any institution or corporation succeeding to the corporate trust business (if any) of the Registrar, shall be the successor Registrar under this Agreement, without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Agreement to the contrary notwithstanding.

## ARTICLE VII MISCELLANEOUS

SECTION 7.1. Successors of County. In the event of the dissolution of the County, all the covenants, stipulations, promises and agreements in this Agreement contained, by or on behalf of, or for the benefit of, the County, the Seller, any other Registered Owner and the Registrar, shall bind or inure to the benefit of the successors of the County from time to time and any entity, officer, board, commission, agency or instrumentality to whom or to which any power or duty of the County shall be transferred.

SECTION 7.2. Parties in Interest. Except as herein otherwise specifically provided, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person, firm or corporation, other than the County, the Seller, any other Registered Owner and the Registrar, any right, remedy or claim under or by reason of this Agreement, this

SECTION 7.4. Severability. In case any one or more of the provisions of this Agreement shall, for any reason, be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Agreement and this Agreement shall be construed and enforced as if such illegal or invalid provisions had not been contained herein or therein.

SECTION 7.5. Prior Agreements Canceled; No Merger. This Agreement shall completely and fully supersede all other prior agreements, both written and oral, between the County and the Seller relating to the acquisition of the Development Rights. Neither the County nor the Seller shall hereafter have any rights under such prior agreements but shall look solely to this Agreement and the Deed of Easement for definitions and determination of all of their respective rights, liabilities and responsibilities relating to the Land, the Development Rights and the payment for the Development Rights. In addition, this Agreement shall survive the execution and recording of the Deed of Easement in all respects and shall not be merged therein.

SECTION 7.6. Amendments, Changes and Modifications. This Agreement may not be amended, changed, modified, altered or terminated except by an agreement in writing between the County and the Registered Owner. An executed counterpart of any such amendment shall be attached to this Agreement and shall be binding upon the Registered Owner and all successor Registered Owners.

SECTION 7.7. No Personal Liability of County Officials. No covenant or agreement contained in this Agreement shall be deemed to be the covenant or agreement of any official, officer, agent or employee of the County in his or her individual capacity, and neither the officers or employees of the County, nor any official executing this Agreement shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the issuance thereof.

SECTION 7.8. Governing Law. The laws of the State shall govern the construction and enforcement of this Agreement.

SECTION 7.9. Notices. Except as otherwise provided in this Agreement, all notices, demands, requests, consents, approvals, certificates or other communications required under this Agreement to be in writing shall be sufficiently given and shall be deemed to have been properly given three Business Days after the same is mailed by certified mail, postage prepaid, return receipt requested, addressed to the person to whom any such notice, demand, request, approval, certificate or other communication is to be given, at the address for such person designated below:

PURCHASE AGREEMENT

FORM OF DEED OF EASEMENT

THIS DEED OF EASEMENT made this \_\_\_\_ day of \_\_\_\_\_ 20\_\_, by and between ESTATE OF MARY ELIZABETH RIGDON, party of the first part, Grantor (the “Grantor”), and HARFORD COUNTY, MARYLAND, party of the second part, Grantee (the “Grantee” or the “County”).

Explanatory Statement

A. Pursuant to Article II of Chapter 60 of the Harford County Code, as amended (the “Act”), the County Council of Harford County, Maryland (the “County Council”) created the Agricultural Land Preservation and Purchase of Development Rights Program to preserve productive Agricultural Land and Woodland (each as defined in the Act), which provide for the continued production of food and fiber for the citizens of the County.

B. By authority of the Act, the Grantee may purchase Development Rights (as defined in the Act) from agricultural landowners by subjecting the subject property to a Development Rights Easement (as defined in the Act) in perpetuity in the manner more specifically provided in the Act.

C. The Grantor is the fee simple owner of the hereafter described parcel(s) of Agricultural Land (as defined in the Act) located in the County and desires to sell and convey to the Grantee a Development Rights Easement to restrict the use of such land to Agricultural Use (as defined in the Act) in accordance with the Act and as hereinafter set forth.

D. Bill No. \_\_\_\_\_, enacted by the County Council on\_\_\_\_, 2019, approved by the County Executive on \_\_\_\_\_, 2019 and effective \_\_\_\_\_, 2019, authorizes the County to purchase from the Grantor the Development Rights in certain Agricultural Land owned by the Grantor and containing not to exceed \_\_\_\_\_ acres.

NOW, THEREFORE, in consideration of the sum of \_\_\_\_\_ Thousand Dollars (\$\_\_\_\_\_) and other valuable consideration, the receipt of which is hereby acknowledged, the Grantor does hereby grant and convey to Harford County, Maryland, as Grantee, its successors and assigns, a Development Rights Easement, in perpetuity, together with and subject to the covenants, conditions, limitations and restrictions hereafter set forth so as to constitute and equitable servitude thereon, in, under and over the parcel(s) of land situate in the \_\_\_\_\_ District of Harford County, Maryland and being more particularly described in Exhibit A attached hereto (the “Land”).

AND FURTHER, together with all Development Rights (with the exception of the right reserved to the Grantor and successors and assigns to maintain an owner residence and/or Tenant House (as defined in the Act), in either case, situate on the Land on the date hereof).

AND FURTHER, if no such owner residence and/or Tenant House exists on the Land on the date hereof, there is reserved to the Grantor and successors and assigns, subject to the provisions of Section E of “Covenants, Conditions, Limitations and Restrictions” below, the right to construct one owner residence and/or Tenant House on the Land, and after execution of this Deed of Easement, such owner residence and/or Tenant House, as the case may be, if approved pursuant to Section E, shall not be subdivided off of the Land.

AND, FURTHER, the Grantor covenants for itself, and for its successors and assigns, with the Grantee, its successors and assigns, to do and refrain from doing upon the Land all and any of the various acts hereafter set forth, it being the intention of the parties that the Land shall be preserved solely for the Agricultural Use as defined in and in accordance with the provisions of the Act, and that all and any of the various acts hereafter set forth are intended to limit the use of the Land and are deemed to be and shall be construed as covenants running with the Land.

### COVENANTS, CONDITIONS, LIMITATIONS AND RESTRICTIONS

Subject to the reservations hereinafter contained and except as otherwise provided herein, the Grantor, for itself and its successors and assigns, covenants and agrees with Grantee as follows:

A. The Land may not be developed or otherwise used for other than Agricultural Use.

B. The Land shall be maintained in Agricultural Use or properly managed so that it is available for continued Agricultural Use from the date of the recording of this Deed of Easement among the Land Records of the County.

C. At the time of establishment of the easement hereby granted, a soil and water conservation plan as prepared by the Soil Conservation District shall be implemented and maintained with respect to the Land.

D. The Grantor will not allow any type of residential subdivision, other than that outlined in this Deed of Easement and permitted by the Act with respect to an Owner’s Lot and a Child’s Lot (each as defined in the Act).

E. The construction of new buildings or structures on the Land, including, without limitation, any owner residence or Tenant House on a non-subdividable parcel, but excluding farm buildings that did not exist at the time of the establishment of the easement hereby granted, is contingent upon the written application to and approval by the Department of Planning and Zoning, subject to review by and recommendation of the Agricultural Land Preservation Advisory Board.

F. Subject to the provisions of paragraphs G and H hereof:

1. The Grantor may at any time hereafter request a two (2) acre or less lot exclusion for the exclusive residential use of the Grantor. Such request (a) must be made by letter provided to the Department of Planning and Zoning of the County verifying the Grantor’s intention to live in a dwelling situate within any lot so excluded and (b) shall be subject to review

and recommendation of the Agricultural Land Preservation Advisory Board of the County. In addition, the use and occupancy permit must be in the name of the Grantor; and the Owner's Lot may not be sold or transferred for a period of five (5) years from the date of issuance of the use and occupancy permit except in the event of the death or legal incompetence of the Grantor or if the lot is part of bankruptcy proceedings; or with approval of the Department of Planning and Zoning, subject to review and recommendation of the Agricultural Land Preservation Advisory Board. Upon such request and recommendation of the Agricultural Land Preservation Advisory Board, the Grantee shall execute and deliver to the Grantor, his/her personal representatives, successors and assigns, an instrument in recordable form releasing such lot from the force and effect of this Deed of Easement and all covenants, conditions, limitations and restrictions herein set forth.

2. The Grantor may at any time hereafter request the right to construct, use and occupy a tenant home on the Land in accordance with the conditions established within Section 267-27(D)(5) of the Harford County Code, as amended. Such request (a) must be made by letter provided to the Department of Planning and Zoning and (b) shall be subject to review and recommendation of the Agricultural Land Preservation Advisory Board. The tenant house shall not be subdivided off of the Land.

3. The Grantor may at any time hereafter request in writing to the Department of Planning and Zoning a two (2) acre or less lot exclusion for the exclusive residential use of a Child (as defined in the Act). Such request (a) must be from both Grantor and the Child verifying the intention of the Child to live in a dwelling situate within the lot so excluded and (b) shall be subject to the review and recommendation of the Agricultural Land Preservation Advisory Board. In addition, the building permit and the owner occupancy permit must be in the Child's name. The Child's Lot may not be sold or transferred for a period of five (5) years from the date of issuance of the use and occupancy permit except in the event of the death or the legal incompetence of the Child or if the Child's Lot is part of bankruptcy proceedings; or with approval of the Department of Planning and Zoning, subject to review and recommendation of the Agricultural Land Preservation Advisory Board. Upon such request and recommendation of the Agricultural Land Preservation Advisory Board, the Grantee shall execute and deliver to the Child, his/her personal representatives, successors and assigns, an instrument in recordable form releasing the Child's Lot from the force and effect of this Deed of Easement and all covenants, conditions, limitations and restrictions herein set forth.

G. The exclusion of lots pursuant to the provisions of paragraph F above from the force and effect of this Deed of Easement and all covenants, conditions, limitations and restrictions herein set forth shall be subject to the following conditions:

1. The total number of such lot exclusions may not exceed one (1) lot for each twenty-five (25) acres contained within the Land or four (4) lots per easement property, whichever is less; and

2. The maximum size of any lot so excluded may not exceed a maximum lot area of two (2) acres, including within such area all County right-of-way requirements unless waived by the Department of Planning and Zoning, with the review and recommendation of the Agricultural Land Preservation Advisory Board; and

**BILL NO. 19-022**

# As Introduced

**BILL NO. 19-022**

3. The Grantor requesting a lot exclusion shall be required to repay the County for each lot so excluded in an amount equal to the amount paid per acre by the County to the Grantor to acquire the Land, plus all costs associated with the establishment of such lot.

H. The rights reserved to the Grantor under paragraph F to request a lot exclusion shall be deemed a personal covenant only, and one that is not intended to run with the Land and shall belong only to, and may be exercised only, by the Grantor named in this Deed of Easement.

I. Notwithstanding anything to the contrary herein contained, the exclusion of any Child's Lot or Owner's Lot from the encumbrance of this Deed of Easement shall become void upon the earlier to occur of (i) the death of the Child or Landowner (as applicable) for whose benefit the exclusion was granted if the Grantee has not received a use and occupancy permit therefor at the time of the Child's or Landowner's death (as applicable) and (ii) the fifth anniversary of the date the Grantee granted the exclusion if a use and occupancy permit in the name of the Child or Landowner (as applicable) has not been received by the Grantee by such fifth anniversary. In the event that the exclusion of a Child's Lot or Owner's Lot (as applicable) becomes void as provided above, the Grantor shall promptly execute and deliver, or promptly cause to be executed and delivered, to the Grantee an instrument in recordable form subjecting the Child's Lot or Owner's Lot (as applicable) to this Deed of Easement and all covenants, conditions, limitations and restrictions herein set forth.

J. The Grantor and all future landowners of the Land reserve the right to use the Land for any Agricultural Use and further reserve all other rights, privileges and incidents to the ownership of the fee simple estate in the Land that have not been conveyed hereby or otherwise limited by the covenants, conditions, limitations and restrictions herein set forth.

K. This instrument shall not be deemed to provide for or permit public access to any privately owned land except for periodic inspections by the Grantee.

L. No conveyances, oil, gas or mineral leases, or similar servitude, no rights of way or easements for utilities or roadways or any other restrictions, including other conservation easements such as forest easements and wetland easements, may be granted to any person or government agency in, on, over or under the Land without the prior written approval of the Grantee, which may condition its approval in accordance with its regulations.

M. The Grantee, its employees and agents shall have the right to enter the Land at all reasonable times for the purpose of inspecting and surveying the Land to determine whether the Grantor is complying with the provisions of this Deed of Easement. The Grantor specifically grants permission to the Grantee to photograph and record the Land, structures and activities being conducted upon the Land. The Grantee shall provide prior notice to Grantor at the Grantor's last known address, unless the Grantee determines that immediate entry is required to prevent, terminate, or mitigate an alleged or actual violation of this Deed of Easement. In the course of such inspection, the Grantee may not inspect the interior of any structure. However, if the Grantee has a reason to believe that a structure (for example, a barn) has been converted to a dwelling or a structure has been built to contain a dwelling without the Grantee's approval, written notice of a suspected violation will be provided to the Grantor, including the reasons for suspicion. The Grantor shall be provided a reasonable period of time to cure the violation or

**BILL NO. 19-022**

# As Introduced

**BILL NO. 19-022**

prevent the threatened violation. Subsequently, the Grantee shall schedule another inspection and may enter the interior of the structure in question.

N. The easement conveyed to the Grantee on the Land is based upon \_\_\_\_\_ acres and \_\_\_\_\_ Development Rights.

The Grantor is a Landowner (as defined in the Act).

Pursuant to Treasury Regulation Section 1.170A-14(g)(6), the Grantor hereby acknowledges and agrees that the Grantee shall have a vested property right at least equal to the proportionate value of the Development Rights Easement granted herein as it bears to the value of the Land as a whole in accordance with the aforementioned Income Tax Regulation Section.

Upon any breach of a provision of this Deed of Easement by the Grantor, and after due notice to the Grantor, the Grantee may institute suit to enjoin any such breach or enforce any provision by temporary, *ex parte* and/or permanent injunction, either prohibitive or mandatory, including a temporary restraining order, whether by *in rem*, *quasi in rem* or *in personam* jurisdiction; and require that the Land be restored promptly to the condition required by this Deed of Easement at the expense of the Grantor (including, but not limited to, re-conveyance of title to land conveyed in violation of provisions herein); to recover damages; to impose civil penalties; and to take such other legal action as may be necessary to ensure compliance with this Deed of Easement and the covenants, conditions, limitations and restrictions and other provisions herein contained. The Grantee's remedies shall be cumulative and shall be in addition to all appropriate legal proceedings and any other rights and remedies available to Grantee at law or equity. No failure or delay on the part of the Grantee to enforce any provision of this Deed of Easement shall constitute a waiver or otherwise discharge or invalidate any provision of this Deed of Easement or affect the right of the Grantee to enforce this Deed of Easement.

The Grantor further covenants that the Grantor has not done or suffered to be done any act, matter or thing whatsoever, to encumber the property hereby conveyed; that Grantor will warrant specially the property interest hereby conveyed; and the Grantor will execute such further assurances of the same as may be required.

As used herein, the singular form of a word includes both the singular and plural, the plural form of a word includes both plural and singular, and reference the words of certain gender includes reference to all genders.

No determination by any court, governmental body or otherwise that any provision of this Deed of Easement is invalid or unenforceable in any instance shall affect the validity or enforceability of (a) any other such provision or (b) such provision in any circumstance not controlled by such determination. Each such provision shall be valid and enforceable to the fullest extent allowed by, and shall be construed wherever possible as being consistent with, applicable law.
