

How to Identify a U.S. Census Employee

Census employees are helping to count everyone in the U.S. in 2020

Here's what to look for:

- An official ID with name, photo, expiration date and Census watermark
- An official bag with Census logo and Census-issued computer or smartphone
- Census employees only work from 9 a.m. - 9 p.m.

Census workers will be at community events with computers or tablets to help you respond online

Census workers will NOT share your information and will NOT ask for your credit card, bank account, or social security number.
