

Super Spy Adventures; Chapter 3 - Invisible Ink

Now that you have a secret spy notebook, you need to learn to write secret notes with **INVISIBLE INK!!** Make secret messages and decode them with this 15-minute craft.

What supplies you need:

- Heavy white paper (preferably watercolor paper)
- White crayon – only white will work
- Watercolor paints- any color
- Wide paint brush
- Small bowl of water

How to:

1. Simple. Using your white crayon, write a secret note on the white paper. No one can read your message!
2. Pass this note to your spy partner.
3. Decode it by painting over the crayon on the page with watercolor paint.
4. Presto, the secret writing is revealed!

Try sending notes to your spy friends. Then add your spy discoveries in your notebook! Good luck spies!
