Attachment B

Harford County Department of Community Services, Local Management Board

Budget Narrative

Provide a detailed justification for each line item in the Budget. The Budget Narrative should explain how the costs were estimated (how the offeror derived the dollar amounts stated) and justify the need for the cost, giving enough detail to tie the costs to the project's activities and proposed goals. When costs seem unusually high or low, the budget narrative can provide the needed explanation.

- A. For each line item of the budget, itemize how each cost was derived (Example: Business Travel – 100 miles @ .50/mile = \$50 per month X 12 months = \$600).
- B. Also provide a brief explanation for the need of the cost. The explanation can be a statement (Example: Cost based on established IRS rate to reimburse staff travel expenses). However, be sure to include as much information as needed to justify the expense, remembering that something that seems obvious may be less clear to a third party that is not familiar with the program.
- C. When preparing the budget narrative:
 - 1. Make sure the narrative matches the budget line items exactly
 - 2. Make sure the total amount is commensurate with the outcome
 - 3. Include actual, reasonable and necessary costs
