C/O Harford County Council
212 South Bond Street
Bel Air, Maryland 21014

Dear Mr. Sidik,

As Mayor of the Town of Bel Air, I wish to inform you that I am in support of the position of both the Aberdeen and Havre de Grace municipal governments in their desire to be identified as one district under the proposed redistricting plan. I have met with both Mayors and have heard their reasons and their concerns and they have convinced me it would be in their best interests as they move forward in advancing the mission, goals and objectives of their governments.

I would ask that you give their request every consideration and will make myself available to you to address any questions or concerns of the members of The Redistricting Commission may have. In closing, I wish to commend you on your service to the citizens as members of the Commission as your task in redistricting Harford County is a most difficult one.

Sincerely yours,

Amy Chmielewski, Mayor
Town of Bel Air
