

## Harford County Office on Aging Senior Center Division

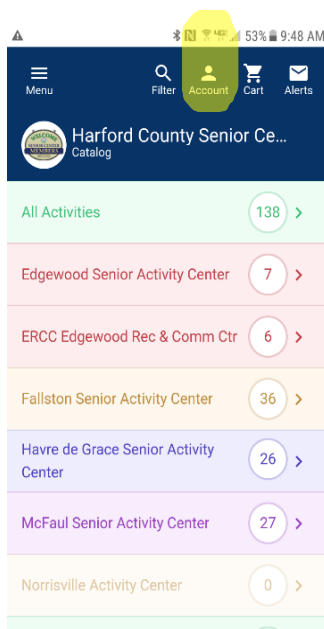

### FOR SENIOR CENTER MEMBERS– How to register online for Senior Center Classes on a **Mobile device (tablet or cell phone)**

*Note: CivicRec works best with Chrome, Microsoft Edge or Firefox as the web browser. Registering on a mobile device is certainly possible, but please be aware that you will need to scroll up and down to see the full screens to peruse the full catalog and in some steps in the registration process. This document will guide you through with screenshots and instructions.*

**Step 1.** To log in or create your account, go to:

<https://secure.rec1.com/MD/office-on-aging-harford-county/catalog>

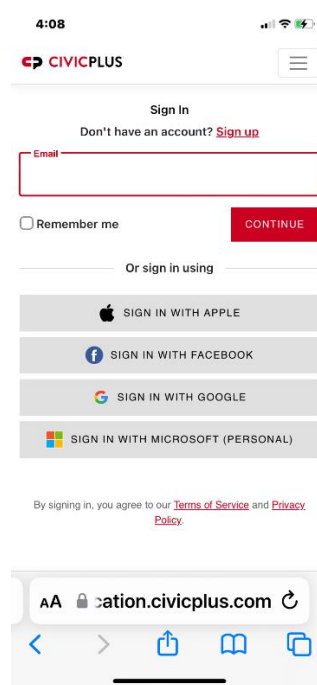

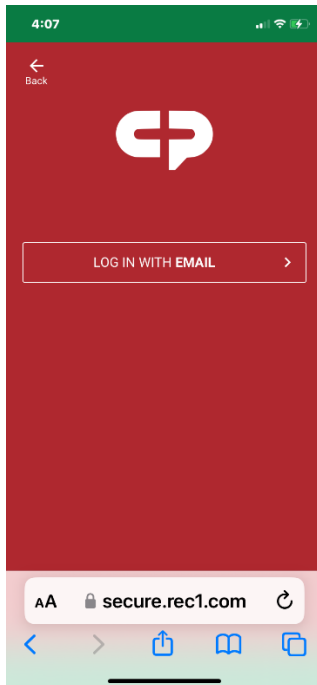

First you will see the green CivicRec screen, then the catalog screen will appear. Click on Account in the dark blue box (highlighted in yellow below).

ON THE Sign IN screen, if you are setting up a new account, click on “Don’t have an account? [Sign up](#)”. For more detailed instructions, please go to the document on our web page titled **How to Create A CivicRec Account and Renew Your Senior Center Membership Online (Mobile device-tablet or cell phone)**, or pick up a printed copy in your senior center. If you already have an account, enter your email, then click on CONTINUE to enter password.

Next you will be taken to the MOBILE view of the **Harford County Senior Center Catalog**.

**NOTE:** The mobile version is designed to present the information in the best format for a small mobile screen. However, if you prefer, on the **Menu**, you can change the view to **Desktop Version**, which takes you to the view you would see from a computer. If you prefer to continue in **MOBILE** view, **skip to Step 3**.

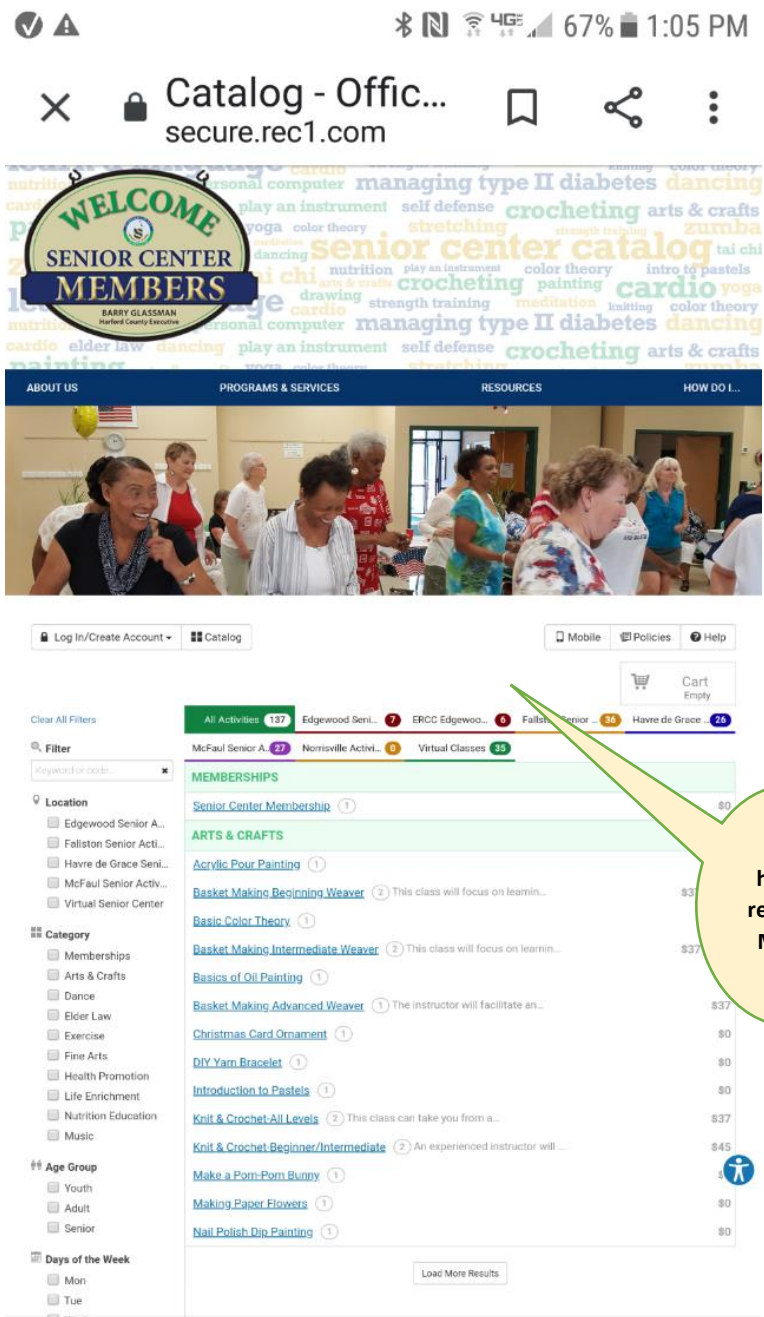

Touch the **Mobile** button on the Catalog Home screen to return to the mobile view.

Click here to see the Desktop Version (to the right)

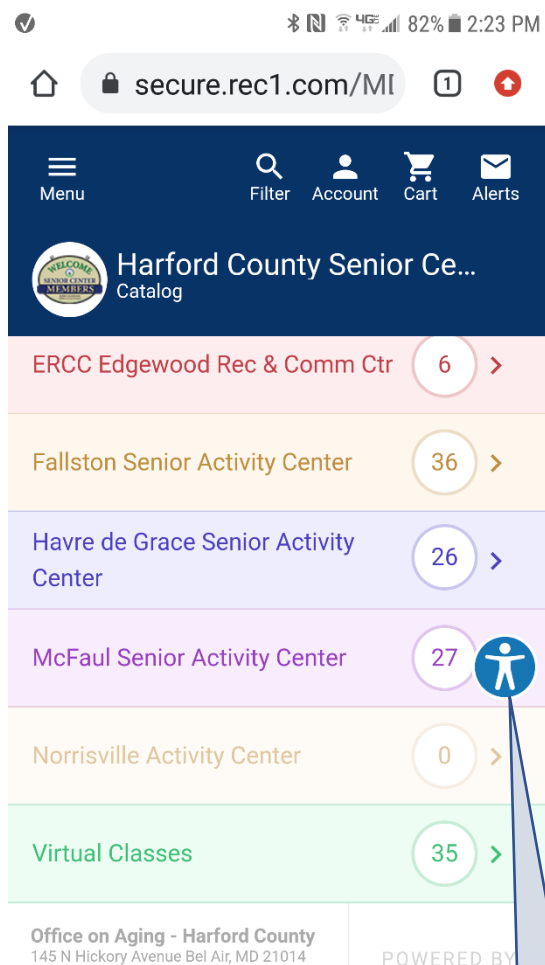

Click here for accessibility options.

This is how the catalog appears on a PC or laptop. It may be challenging to see the detail of this view on your mobile device.

**Step 3.** Once you are logged in, you will see the catalog page with center locations listed. Select the **location**. In this example, we will go to the **Virtual Senior Center** location, and register for the **Basic Color Theory** video class.

**Note:** Do you need assistance in viewing the screens? Click on this icon to explore your accessibility options.

Classes are listed by category (such as Arts and Crafts) and then alphabetically. The number of times the class is offered appears in the circle to the right of the title.

Select the **Basic Color Theory** class from the catalog listing. You will be shown the account members on your account (it may be just you, or you and other household members) who are eligible to register for this class (below on left). Here we will register James Fake. To see the **class description** and other **class details**, scroll down on this screen (below on left). If you wish to proceed, select **ADD TO CART**.

A yellow callout bubble points to the card number field with the text "Enter your credit card information here".

**Step 8:** Please do a final review of your payment information on this screen. You can edit your payment or billing information here or click on the Back arrow to cancel the payment information. Once you select **Authorize**, the payment will be processed.

The screenshot shows the same web browser window, but the page content has changed. The title is still "HARFORD CO SENIOR CENTER CLASS POS". Below the title is a "PAYMENT INFORMATION" section with a link "Edit Payment Information". It shows "Suzanne Streeter" and "Visa Credit Card - 4317". Below that is a "BILLING INFORMATION" section with a link "Edit Billing Information". It shows "Suzanne Streeter", "351 Lewis Lane", and "Havre De Grace, MD, 21078". Two yellow callout bubbles point to the "Edit Payment Information" and "Edit Billing Information" links with the text "Edit payment information here" and "Edit billing information here" respectively.

**Step 9.** You will be directed back to the green CivicRec screen, then your receipt will appear. This will be sent to you via email and is available to you anytime via the **My Account Dashboard**, which can be accessed from the Senior Center Catalog page.

To return to the Catalog, select the green **Catalog** button on the Receipt screen. **Congratulations—you are now registered for your class!**
