Instructions

Driveway Access Permit Application

C. CONTACTS:

Select **Add Contact** to add a contractor

Type the contractor's name in the search box and hit enter

Select the proper contact from the list and select **Add**

**Select the star to the left of the contact's name to add the contact to your favorites.*

**Regarding contractor contact: Please indicate the contracting company, not the name of the individual contractor.*

Select **Next**

CONTACTS

1.) Select Add Contact

2.) Search Contact (Fill in the star to add a favorite contact.)

If the contractor is To Be Determined, search TBD and select TBD. The property owner's information will be added during the next step.

Please use the additional blue default box to include anyone who needs to access permit information or attachments. For example: You may add the Project Manager or Architect to this permit. Select the contact type from the dropdown menu.

If no additional contacts are needed, please select the NEXT button.
