DEPARTMENT OF PUBLIC WORKS

Dear Harford County Citizen:

Thank you for your recent inquiry regarding Harford County's Adopt-A-Road Program. By participating in this program, you will help reduce litter along County roads and help maintain a clean environment.

In the enclosed packet of information, you will find the Adopt-A-Road Program guidelines, a checklist for the group leader, cleanup and safety procedures, and the Adopt-A-Road Application.

Please complete the application and return it to the Program Coordinator, Harford County Adopt-A-Road Program, 3135 Scarboro Road, Street, MD 21154. Upon receipt of your application, we will inspect your requested road section for potential safety problems. If you have no preference of roads, we will assign one to you. After we have agreed on an acceptable road section, you will receive an adoption agreement to be completed and returned.

If you have any questions regarding the Adopt-A-Road Program or would like more information, please feel free to contact Ginelle Johnson at 410-638-3637.

Thank you for your interest in Harford County's Adopt-A-Road Program.

GUIDELINES FOR PARTICIPATION

1. The Adopt-A-Road Program is open to any group, family or single individual within Harford County. Businesses that wish to sponsor groups may do so.
2. Participants must be a minimum of 12 years old. Groups with members less than 16 years old must be supervised by an adult (18 years or older). At least one adult is required for every 5 participants less than 16 years old.
3. Groups are requested to adopt a one to three mile section of county road for a minimum of two years.
4. Litter should be picked up from your adopted road as needed. We request a minimum of four times a year with a major cleanup in April for spring cleaning.
5. You may request a specific section of road for adoption. However, for safety reason, some roads with narrow or no shoulders or with limited sight distances may be ineligible for adoption.
6. ADOPT-A-ROAD signs including your organization's name will be installed at each end of the adopted sections.
7. A removable safety warning sign, safety vests, plastic trash bags, and blue bags will be provided to each group for use during cleanup sessions.
8. Participants are encouraged to separate and recycle appropriate materials.
9. A designated Group Leader will be required for each organization to serve as the liaison with the Harford County Adopt-A-Road Program Coordinator. The Group Leader will be responsible for signing the Adoption Agreement, scheduling cleanup dates, checking out and returning safety gear and ensuring compliance with Cleanup & Safety Procedures.
