

## Consent Brainstorm

**Directions:** You will use this handout to brainstorm ideas during class today. In each box, you will answer the question that is listed. Follow along with your class. Your teacher will tell you when to work on each box.

### What is Consent?

In your own words, write what consent means in this box.

**When do we need to ask for consent?**

**What does consent sound like?**

**What can you do if you do not give consent?**

## Trusted Adults

**What are qualities of a trusted adult?**

## Safety Network

A **Safety Network** is a group of 3-5 adults that a child can trust and who believes anything the child tells them. One safety network adult should be a person who is not a family member.

### **My Safety Network:**

In this box, list the 3-5 adults who are in your safety network.
