

Unit 6 Overview: Family Life and Human Sexuality- TEACHER FACING ONLY- Do Not Publish

Family Life and Human Sexuality Unit Overview

This unit focuses on family life and human sexuality concepts including the changes that occur during puberty, understanding the anatomy and physiology of the human reproductive systems, and understanding the processes of human reproduction. This unit uses district-created lessons and provides an opt-out option for all students.

Desired Results	
Established Goals Students will understand the human body matures and develops at its own pace, uniquely affecting the functions and processes of the reproductive system.	Transfer
	Students will be able to independently use their learning to develop health-enhancing behaviors that support their health and well-being during their adolescent years.
	Meaning
	Enduring Understandings: The human body matures and develops at its own pace, uniquely affecting the functions and processes of the reproductive system. Essential Questions: 1. How are puberty changes similar in males and females? 2. How do the changes during puberty differ in males and females? 3. How does puberty prepare the body for reproduction?

Acquisition

- Students will know the changes during puberty that prepare the body for reproduction, the functions of the reproductive systems, and the process of human reproduction.
- Students will be skilled at adopting health-enhancing behaviors that support their health and well-being during puberty.

Evidence and Assessment

Evaluative Criteria

Students will be evaluated on their understanding of concepts related to puberty, reproductive system anatomy and physiology, and the process of human reproduction.

Assessment Evidence

Performance Task

At the conclusion of this unit, students will be assessed through a district-wide assessment that assesses students understanding of concepts related to puberty, reproductive system anatomy and physiology, and human reproduction.

Supplementary Evidence

Assessments throughout the unit include district-wide assignments, knowledge checks, and quizzes.

Learning Plan
