

## **Health Education Alternative Life Assignment**

All assignments should be kept in your folder and turned in on a daily basis for grading purposes.  
**(Please send through Email)**

The alternative assignment for the Family Life Health unit will be a **research assignment** on **two careers**.

- **One Career Choice** - Must be with the Health field
- **Second Career Choice**- Your choice, preferably one that may interest you in the future.

Using the information found, write a 2-3-page paper, and create a visual aid comparing the two careers.

**Your report must include the following information:**

- 1) At least 2 typewritten pages (double-spaced 12pt font) or 3 hand-written pages.
- 2) A discussion of why you selected the career(s) you chose.
- 3) Daily duties and responsibilities of your job choice.
- 4) Education needed. (ie. Internships, college, etc.)
- 5) The pay scale or salary for your chosen career compared to the health career.
- 6) What is your average work week schedule?
- 7) What is the work environment like?
- 8) What are the health risks of your chosen career?
- 9) How long does the typical person keep this job?
- 10) Any interesting data you discovered concerning your selections.
- 11) A visual (chart, graph or diagram) that compares the careers.
- 12) What impact has the current economy had on your chosen career?
- 13) What physical, mental, emotional and social skills and/or activities are necessary for a person in this field?
- 14) What are the personality traits necessary for success in this career?
- 15) What high school courses are beneficial for a person who wants to pursue this career?
- 16) Proper documentation for all resources used (Bibliography)
