Closure: - Choose one of the following scenarios to analyze while using your communication skill cues.

SCENARIO PRACTICE

The Picture

Kim & Tamika are hanging out after school. They're laughing & having an awesome time making funny faces at each other. They were taking pictures of each other but never discussed whether they would post these pictures on social media.

Kim posted a picture of a particularly embarrassing face that Tamika made. She thought it was funny, too, but she was not happy when she saw that Kim posted it for everyone in school to see.

The Relationship

Sammy and Alex have been going out for one year now. They have been next-door neighbors since they were little, so they know each other really well and really care for each other. They hold hands openly at school and around town. They like to kiss in private to show their affection for each other.

Recently, they have been talking about taking the next step past kissing. Even though it's uncomfortable, they openly discuss what is OK and what is not OK with each other.

Reducing the Risks: Part 1

- You will be assigned one of the following scenarios to analyze with your partner:
 - *The Snap
 - * The Influence
 - *Your Turn
- Please use your Communication Skill Cues as a resource when answering the questions
- Please provide detail in your response when needed

REDUCING THE RISKS

The Snap

Nayai is hanging at her house and gets a snap from Alex. Nayai knows Alex through friends, yet they don't hang out or really talk at school.

Alex asks her what she is doing and says that he thinks that she is cute. Nayai likes the attention and tells him thanks 😊.

The next snap Nayai gets is a picture of Alex's face that says send me something fun.

The Influence

Steve and John became friends this year. Steve snaps John and says how surprised he is by what Chris did at school today. John tells Steve how he finds Chris more annoying this year and thinks acts out to be cool around everyone.

Steve snaps John a picture and says, "I'm going to tell Chris what you said about him unless you send me something" John is panicking and tells Steve no.

Steve says again to send him a fun pic or he will send his snap about Chris to everyone.

Your Turn

Brayden has a ton of followers on Tik Tok, Instagram and Snap. He knows most of his friends through friends of his soccer team. Brayden gets a snap from one of the girls he knows plays soccer but isn't friends with her.

They start talking about soccer and she then says she thinks he is cute and wants to hang out with him.

Brayden is shocked and says yes and she then sends a nude snap and says, "Your turn".
