

Condom Use Sort Cards

Print enough copies of these cards to have students work in pairs.

Teacher Preparation: Cards will need to be cut for student use prior to the class period.

Give and obtain consent	Check the expiration date
Carefully open the condom package	Check that the condom is right side out for unrolling
Gently pinch the tip of the condom	While holding the tip, place the condom on the head of the erect penis
Roll the condom all the way down the penis	Sexual activity takes place
Pull the condom-covered penis out and away from the other person's body	Remove the condom, tie the end in a knot to avoid spillage, and throw it in the garbage
