**SIGN, MARQUEE** - A wall sign that is affixed or displayed on a marquee.

**SIGN, PROJECT DEVELOPMENT** - A temporary sign erected on the premises on which a development project is taking place, during the period of such construction, indicating the type of development, space and/or price of units and contact information.

**SIGN, PROJECTING** - Any sign which is attached to a building and extends beyond the line of said building or beyond the surface of that portion of the building to which it is attached.

**SIGN, ROOF** - Any sign erected, constructed and maintained upon or over the roof of any building with the principal support on the roof structure.

**SIGN, TEMPORARY** - Temporary signs include any portable sign or any other sign, banner, pennant, valance or advertising display constructed of cloth, canvas, fabric, cardboard, wallboard or other light materials, with or without frames, intended to be displayed for a limited period of time only.

**SIGN, TENANT IDENTIFICATION** - A sign giving the nature, logo, trademark or other identifying symbol, address or any combination of the name, symbol and address of a building, business development or establishment on the premises where it is located.

**SIGN, VARIABLE MESSAGE Board** - A sign with a display, that changes by electronic or mechanical means, other than electronic message Boards.

**SIGN, WALL** - All flat signs which are attached to the exterior of the building or other structure.

**SIGNIFICANT/SPECIAL NATURAL FEATURES** - Sensitive environmental areas to be left undisturbed, including water bodies, tidal and nontidal wetlands, forested areas to be retained and plant or wildlife habitat identified as of State or County importance.

**SIGNIFICANTLY ERODING AREAS** - Those shoreline areas eroding 2 feet or more per year.

**SITE** - Any tract, lot or parcel of land or combination of tracts, lots or parcels of land which are in 1 ownership or are contiguous and in diverse ownership where development is to be performed as part of a unit, subdivision or project.

**SITE, HISTORIC** - The location of an event of historic significance or a structure which possesses historic, archeological, architectural or cultural significance.

**SITE PLAN** - A plan, prepared to scale, showing accurately and with complete dimensioning, all of the buildings, structures and uses and the exact manner of development proposed for a specific parcel of land.

**SMALL SHRUB** – A shrub that, when mature, reaches a height no greater than 6 feet.

**SMALL WIND ENERGY SYSTEM** – Equipment, including any base, blade, foundation, generator, nacelle, rotor, tower, transformer, vane, wire, inverter, batteries, guy wire or other component used in the system, that converts and then stores or transfers energy from the wind into usable forms of energy and that:

- A. Is used to generate electricity;
- B. Has a rated nameplate capacity of 50 kilowatts or less; and
- C. Has a total height of 150 feet or less.

**SOIL CONSERVATION AND WATER QUALITY PLAN** - An agricultural plan approved by a local Soil Conservation District to minimize soil erosion and the movement of sediment, animal waste, nutrients or agricultural chemicals into waters of the State and is a land-use plan for farms that show farmers how to make the best possible use of their soil and water resources while protecting and conserving those resources for the future. It is a document containing a map and related plans that indicate:

- A. How the landowner plans to treat a farm unit;
- B. Which Best Management Practices the landowner plans to install to treat undesirable conditions; and
- C. The schedule for applying those Best Management Practices.

**SOILS WITH SIGNIFICANT DEVELOPMENT CONSTRAINTS** - Highly erodible soils, hydric soils less than 40,000 square feet in extent, soils with hydric inclusions and soils with severe septic constraints. See Table 63-1, Soil Types in Harford County Critical Area with Development Constraints, §267-63 (Chesapeake Bay Critical Area Overlay District).

**SOLID WASTE TRANSFER STATION** - An intermediate destination for solid waste. Transfer stations may include separation of different types of waste and aggregation of smaller shipments with large ones. It may also include compaction to reduce the bulk of the waste.

**SPECIAL DEVELOPMENTS** - Projects that utilize innovations in design by permitting a variety of type, use and layout of buildings.

**SPECIAL EXCEPTION** - A use which may be permitted by the Board in a particular district only upon a showing that such use in a specified location will comply with all the conditions and standards for the location or operation of such use as specified in this Part 1.

**SPECIALTY SHOP** - A retail store which carries only 1 type of interrelated goods, including bookstores, candle shops, cosmetic shops, florist shops, gift shops, hobby and craft supply shops, import shops, jewelry shops, key shops, newspaper and magazine shops, novelty shops, pet shops, photographic shops, souvenir shops, stationery shops, tack shops, tobacco shops and wine and cheese shops.

**§ 267-27. Accessory Uses and Structures.** [Amended by Bill 09-19, as amended; Bill 12-44; Bill 13-51; Bill 14-1; Bill 21-19; Bill 22-14; Bill-23-10 as amended; and Bill 24-36]

- A. Generally. Except as otherwise restricted by this Part 1, customary accessory structures and uses shall be permitted in any district in connection with the principal permitted use within such district. Private roads and driveways shall be permitted in any district as an accessory use to any principal use when located in the same district as the principal use.
- B. Zoning certificate required. All accessory uses and structures, whether or not specified in this section, require the issuance of a zoning certificate.
- C. Use limitations. In addition to the other requirements of this Part 1, an accessory use or structure shall not be permitted unless it strictly complies with the following:
- (1) In the AG, RR, R1, R2, R3, R4 and VR districts, an accessory structure shall neither exceed 50% of the total square footage of the principal structure or 1,000 square feet, whichever is greater. The height of the accessory structure shall not exceed the height of the principal structure. For properties greater than 5 acres in the AG district, an accessory structure shall not exceed 50% of the total square footage of the principal structure or 2,500 square feet, whichever is greater. For properties greater than 5 acres in the AG district, the height of an accessory structure shall not exceed 115% of the height of the principal structure.
  - (2) No accessory structure shall be used for living quarters, the storage of contractors' equipment or the conducting of any business unless otherwise provided in this Part 1.
  - (3) No accessory use or structure shall be established on any lot prior to substantial completion of the construction of the principal structure.
  - (4) No accessory use or structure on any lot shall increase any impervious surface area beyond the maximum permitted.
  - (5) No accessory use or structure shall be established within the required front yard, except agriculture, signs, fences, walls or parking area and projections or garages or electric vehicle charging stations as specified in §267-23 (Yards), and modifications to minimum yard requirements.
  - (6) Uses and structures.
    - (a) For agricultural lots, detached accessory structures must be located:
      - [1] A minimum of 10 feet from the side or rear lot lines, unless the lot has a recorded drainage and utility easement or any other recorded easement.
      - [2] For lots with recorded drainage and utility easements, the owner must obtain a building permit or zoning certificate to locate any detached accessory structure within the recorded drainage and utility easement pursuant to §267-27C(8); otherwise, the setback shall be equal to the width of the recorded drainage and utility easement or 10 feet, whichever is greater.

- [3] For lots with any other recorded easement, accessory structures shall not be permitted within the easement and the setback shall be equal to the width of the recorded easement or 10 feet, whichever is greater.
- (b) For residential lots, accessory structures will be considered attached if they are within 3 feet of the principal structure and must meet the principal structure setback requirements. For residential lots, detached accessory structures shall be located:
  - [1] A minimum of 3 feet from side or rear yard lot lines, unless the lot has a recorded drainage and utility easement or any other recorded easement.
  - [2] For lots with recorded drainage and utility easements, the owner must obtain a building permit or zoning certificate to locate any detached accessory structure within the recorded drainage and utility easement pursuant to §267-27C(8); otherwise, the setback shall be equal to the width of the recorded drainage and utility easement or 3 feet, whichever is greater.
  - [3] For lots with any other recorded easement, accessory structures shall not be permitted within the easement and the setback shall be equal to the width of the recorded easement or 3 feet, whichever is greater.
- (c) For townhouses and zero-lot-line dwellings, detached accessory structures shall be located:
  - [1] Zero feet from side or rear yard lot lines, unless the lot has a recorded drainage and utility easement or any other recorded easement.
  - [2] For lots with recorded drainage and utility easements, the owner must obtain a building permit or zoning certificate to locate any detached accessory structure within the recorded drainage and utility easement pursuant to §267-27C(8); otherwise, the setback shall be equal to the width of the recorded drainage and utility easement.
  - [3] For lots with any other recorded easement, accessory structures shall not be permitted within the easement and the setback shall be equal to the width of the recorded easement.
- (d) The front, side and rear yard setback for accessory uses and structures for business, industrial and Continuing Care Retirement Community uses shall be equal to the same setbacks required for the principal structure.
- (e) For institutional uses, the front, side and rear yard setback for accessory uses and structures shall be equal to the same setbacks required for the principal structure. This requirement may be reduced up to 50% for accessory structures less than 300 square feet, located in the side and rear yard.
- (f) Retaining walls, 4 feet or greater in height, shall require a zoning certificate.

- 
- (7) Septic reserve areas may be permitted in any district to serve a use permitted and located in another district if the property is split-zoned and under the same ownership. These uses may also be permitted in a use setback. Stormwater management facilities may be permitted in any district to serve a use permitted and located in another district.
- (8) Fences shall be permitted in any recorded drainage and utility easement. The placement of all other accessory uses shall be allowed in any recorded drainage and utility easement, pursuant to the following:
- (a) The accessory use or structure shall meet the setback and square footage requirements contained in §267-27C (Use Limitations);
  - (b) The Department of Public Works shall approve the location;
  - (c) The accessory structure shall meet the applicable requirements of this section; and
  - (d) The applicant shall sign a hold harmless form, provided by the County.
- (9) Small Wind Energy Systems. In order to properly integrate all regulating provisions affecting Small Wind Energy Systems, as defined in §267-4 (Definitions), and to regulate such systems in an orderly and comprehensive manner, it is hereby provided that Small Wind Energy Systems are subject to the regulations as set forth herein. The purpose of this Subsection is to oversee the permitting of Small Wind Energy Systems and to preserve and protect public health and safety without significantly increasing the cost or decreasing the efficiency of a Small Wind Energy System. These provisions shall apply to all Small Wind Energy Systems located in Harford County.
- (a) Standards. A Small Wind Energy System shall be an accessory use in all zoning districts subject to the following requirements:
    - [1] Setbacks. A wind tower for a Small Wind Energy System shall be set back a distance equal to its total height plus an additional 40 feet from:
      - [a] Any State or County right-of-way or the nearest edge of a State or County roadway, whichever is closer;
      - [b] Any duly recorded right-of-way, utility or stormwater management easement;
      - [c] Any overhead utility lines;
      - [d] All property lines; and
      - [e] Any existing guy wire, anchor or Small Wind Energy Tower on the property.
    - [2] Access.
      - [a] All ground mounted electrical and control equipment shall be labeled and secured to prevent unauthorized access.

- [b] The wind tower shall be designed and installed so as to not provide step bolts or a ladder readily accessible to the public for a minimum height of 8 feet above the ground.
  - [3] Electrical wires. All electrical wires associated with a Small Wind Energy System, other than wires necessary to connect the wind generator to the wind tower wiring, the wind tower wiring to the disconnect junction box and the grounding wires shall be located underground.
  - [4] Lighting. A wind tower and generator shall not be artificially lighted unless such lighting is required by the Federal Aviation Administration (FAA). Lighting of other parts of the Small Wind Energy Systems, such as appurtenant structures, shall be limited to that required for safety purposes and shall be reasonably shielded from abutting properties.
  - [5] Appearance, color and finish. The wind generator and wind tower shall remain painted or finished the color grey.
  - [6] Signs. The only signage permitted on any Small Wind Energy System shall be a single sign no larger than 6 square feet affixed to the equipment building or fence enclosure that states "Danger – High Voltage – Keep Off" and identifies the system owner and the telephone number for the person to contact in the event of an emergency.
  - [7] Code Compliance. A Small Wind Energy System, including wind tower, shall comply with all applicable construction and electrical codes.
  - [8] Met towers shall be permitted under the same standards, permit requirements, restoration requirements and permit procedures as a Small Wind Energy System.
  - [9] Total height shall be the vertical distance from ground level to the tip of a wind generator blade when the tip is at its highest point.
- (b) Abandonment.
- [1] Every 2 years the owner of a Small Wind Energy System shall submit a letter to the Department stating that the system is in continuous use; and at least 60 calendar days before the letter is due, the Department shall notify the owner of the date by which the letter is due.
  - [2] A Small Wind Energy System that is out-of-service for a continuous 12-month period will be deemed to have been abandoned. The Director may issue a Notice of Abandonment to the owner of a Small Wind Energy System that is deemed to have been abandoned. The owner shall have the right to respond in writing to the Notice of Abandonment setting forth the reasons for operational difficulty and providing a reasonable timetable for corrective action, within 30 days from the date of notice. The Director shall withdraw the Notice of Abandonment and notify the owner that the notice has been

withdrawn if the owner provides information that demonstrates the wind energy system has not been abandoned.

- [3] If the Small Wind Energy System is determined to be abandoned, the owner of a Small Wind Energy System shall remove the system at the owner's sole expense within 3 months of the date of Notice of Abandonment. If the owner fails to remove the system, the Director may pursue a legal action to have the system removed at the owner's expense.
- [4] The owner shall ensure removal of the system by posting an acceptable monetary guarantee with the County on forms provided by the Office of the Director. The guarantee shall be submitted prior to the issuance of a building permit and shall be for an amount equal to a cost estimate approved by the Director for the removal of the system, plus a 15% contingency.
- [c] Public Service Commission. In accordance with the Maryland Annotated Code, Public Utilities Companies, §7-207.1, any property owner seeking to construct a Small Wind Energy System shall apply to the Public Service Commission (PSC) for approval and provide documentation of such approval to the County prior to construction and being issued a building permit, if applicable.
- [d] Variances. Variances to the setback requirements in this Subsection are not permitted.
- [e] Noise. All Small Wind Energy Systems shall comply with the State-regulated noise ordinance.
- [f] Anemometers. If 8 pounds or less, the anemometers are exempt from the provisions of this Subsection C [9].
- [g] Maximum number. One Small Wind Energy System shall be allowed on each parcel up to 20 acres; an additional system shall be allowed on every 20 acres thereafter up to a maximum of 5 Small Wind Energy Systems per parcel.
- [h] Rated nameplate capacity. A Small Wind Energy System that has a rated nameplate capacity of 2.5 kilowatts or less shall comply only with Subsections (9)[a][1], (9)[b][1], (9)[b][2] and 9[b][3].
- [i] Roof mounted wind turbines are permitted to be mounted or attached to a building roof subject to the following regulations:
  - [1] All components of the roof mounted wind turbine shall meet the required setback for the principal structure on which it is located.
  - [2] The roof mounted wind turbine shall only be permitted on single family detached dwellings and commercial buildings and shall not be permitted on any accessory structure.
  - [3] The height shall not project more than 8 feet from the roof surface. The total height is the vertical distance from the roof surface to the top of a wind generator blade when the tip is at its highest point.

- 
- [4] The roof mounted wind turbine and its mounting structure shall be painted or finished in the color grey.
    - [5] Roof mounted wind turbines shall not be permitted on any historic landmark listed on the Harford County Historic Landmark list set forth in §267-112, or listed on the National Register of Historic Places.
  - (10) Electric vehicle charging stations. All equipment shall be ground mounted, and carports or any other vehicle coverings shall not be permitted to encroach into the setback. Such stations shall be labeled for this use with signage that shall not exceed 12 inches by 18 inches.
- D. Accessory uses in agricultural and residential districts. The following accessory uses shall be permitted in agricultural and residential districts upon issuance of a zoning certificate, unless otherwise specified, in accordance with the following:
- (1) Pens or runs for animals shall not be located within 50 feet of any adjacent residential lot line. Kennels shall be permitted only as special exceptions.
  - (2) Recreation facilities, such as swimming pools and tennis courts, if the facilities are used by the occupants, or guests of the principal use, and no admission or membership fees are charged, provided that the edge of the facility, including all mechanical equipment, shall be located at least 10 feet from any side or rear lot line. For community pools and tennis courts, the edge of the facility shall be located not less than 50 feet from any residential unit or side and rear lot line.
  - (3) Storage in any structure on a residential lot.
  - (4) Home occupations or professional offices. Home occupations or professional offices within the home may be permitted in accordance with the following criteria, modification of which can be granted only through Board of Appeals approval:
    - (a) The home occupation must be clearly incidental and subordinate to the residential use and shall not exceed in area 25% of the gross floor space of the principal building.
    - (b) The home occupation shall be conducted within the dwelling unit or accessory structure, and no outdoor display or storage of materials, goods, supplies or equipment used in the home occupation shall be permitted on the premises.
    - (c) The residential character of the dwelling unit shall not be altered to accommodate a home occupation.
    - (d) Not more than 1 person, or 2 persons for medical offices, other than members of the immediate family residing in the dwelling unit, may be employed in the home occupation. The total of all employees, inclusive of family members, shall not exceed 3. No home occupation shall be open to the public between 9:00 p.m. and 8:00 a.m.
    - (e) No home occupation shall generate greater traffic volumes, or increased traffic hazards, than would normally be expected in a residential district.
    - (f) No retail sales, other than for goods produced on the premises, shall be conducted on the premises.

- 
- (g) Additional off-street parking required for the home occupation shall be provided in the side or rear yard of the lot and shall be buffered from adjacent public roads and residential lots.
  - (h) No goods, materials or supplies shall be delivered by commercial vehicles, either to or from the premises, in connection with the home occupation, except by the United States Postal Service or a delivery service.
  - (i) Notwithstanding the above, home occupations shall not include automobile repair; selling of bait, crabs or fish; construction businesses; dancing or karate schools; funeral homes; kennels; medical clinics; petroleum storage or delivery businesses; printing businesses; private clubs; radio stations; restaurants; or variety or gift stores.
- (5) Agricultural tenant house, including mobile homes, for bonafide farm workers when not more than 1 such structure is provided on parcels of 11 to 50 acres, and not more than 1 additional tenant house per 50 acres thereafter.
  - (6) Private horse stables, provided that any stables, corrals, feeding and bedding areas for horses shall be located at least 50 feet from any public road or lot lines.
  - (7) Agricultural retail grown on site, provided that the parcel has sufficient road frontage to ensure safe ingress and egress. Any permanent or temporary structure shall meet the minimum front, rear and side yard requirements for a single-family home in the district. Entrances and exits to the required parking area shall be at least 50 feet from any intersection on a local road and 100 feet from all other road intersections.
  - (8) Recreational vehicles and equipment shall be stored in the rear yard or in the side yard if completely buffered from any adjacent residence and the side yard setback of the district for the principal use is maintained. No living or sleeping in or other occupancy of a recreational vehicle, camper or trailer shall be permitted for more than 7 calendar days within any 90 day period unless the location has been approved for such use. No zoning certificate is required.
  - (9) Vehicles used for commercial purposes, which do not meet the definition of Commercial Vehicle as defined in Section 267-4 (Definitions), may be allowed in residential and agricultural districts on the basis of 1 vehicle for each lot. No zoning certificate is required.
  - (10) One inoperative or untagged motor vehicle may be parked or stored for a continuous period of no more than 6 months on any lot of less than 2 acres. Two inoperative or untagged motor vehicles may be parked or stored for a continuous period of no more than 6 months on any lot of 2 acres or more. This requirement does not apply to bonafide agricultural equipment or vehicles stored within a completely enclosed building.
  - (11) A day-care center operated in a church, private school or public school.
  - (12) Mulch storage and sales as an accessory use to commercial greenhouses and nurseries in the AG district, provided that:
    - (a) A separate zoning certificate is not required;
    - (b) The sale of mulch accounts for less than 20% of the annual gross sales receipts of the greenhouse or nursery;

- 
- (c) Outdoor storage of mulch is limited to:
    - [1] A maximum area of 1 acre or 10% of the total lot area, whichever is less; and
    - [2] A maximum height of 10 feet;
  - (d) If the Department determines that there is reason to believe that the mulch sales and storage are of such an extent as to constitute more than an accessory use, the owner of the property shall provide, within 14 calendar days after receiving written notice from the Department, evidence that the percentage requirement is not being violated. If such evidence is not provided, the Department shall proceed with the appropriate enforcement action;
  - (e) In accordance with the State law on access to public records, §10-611 *et seq.* of the State Government Article, the Department shall treat the gross sales receipts information it obtains as confidential financial information, and shall not permit public inspection of the information; and
  - (f) If a mulch storage and sales operation, conducted as an accessory use to a commercial greenhouse or nursery, does not meet the requirements of items (b) or (c) of this paragraph (12), the operation shall be considered the principal use of the property, and shall be subject to the requirements applicable to a mulch storage and sales operation conducted as a principal use.
- (13) Homestead chickens, excluding roosters, shall be permitted in accordance with the following criteria:
- (a) Lot requirements:
    - [1] A minimum of 1 acre is required for the keeping of homestead chickens.
    - [2] A 50 foot setback from adjacent residential lot lines is required for any coop, run, pen and free-range area.
  - (b) Zoning Certificate requirements:
    - [1] An issued Zoning Certificate shall be required prior to the installation of any coop, run, pen, free-range area and fence.
    - [2] A State of Maryland Department of Agriculture Poultry Registration shall be submitted with the Zoning Certificate application.
  - (c) Any lot where a homestead chicken is kept shall have a coop.
  - (d) Each coop shall have 4 walls and a roof, be ventilated, constructed to have flooring and have at least 3 square feet per the number of homestead chickens kept on the lot.
  - (e) All runs and free-range areas shall be fenced in such a manner as to prevent any homestead chicken from escaping.
  - (f) A maximum of 10 homestead chickens shall be permitted on lots less than 2 acres.

- E. Accessory uses permitted in business and industrial districts. The following accessory uses shall be permitted in the business and industrial districts upon issuance of a zoning certificate, unless otherwise specified, in accordance with the following:
- (1) Incidental repair facilities and outside storage of goods normally carried in stock, used in, or produced by, the business or industrial use, provided that no storage is within 10 feet of any side or rear lot line, all storage is effectively buffered from any adjacent residential use or district and such use is not prohibited under the applicable district regulations of this Part 1.
  - (2) A dwelling unit, including a mobile home, for a caretaker or watchman shall be permitted, provided that:
    - (a) Not more than 1 dwelling unit is provided for security or protection of the principal use.
    - (b) The requirements for the dwelling unit shall not differ from those imposed by this Part 1 for a housing unit of the same or similar type as a principal permitted use.
  - (3) Retail sales in industrial districts shall be permitted, provided that the goods sold are manufactured or produced on the site.
  - (4) Mulch storage and sales as an accessory use to commercial greenhouses and nurseries in the VB and GI districts, provided that:
    - (a) A separate zoning certificate is not required;
    - (b) The sale of mulch accounts for less than 20% of the annual gross sales receipts of the greenhouse or nursery;
    - (c) Outdoor storage of mulch is limited to:
      - [1] A maximum area of 1 acre or 10% of the total lot area, whichever is less; and
      - [2] A maximum height of 10 feet;
    - (d) If the Department determines that there is reason to believe that the mulch sales and storage are of such an extent as to constitute more than an accessory use, the owner of the property shall provide, within 14 calendar days after receiving written notice from the Department, evidence that the percentage requirement is not being violated. If such evidence is not provided, the Department shall proceed with the appropriate enforcement action;
    - (e) In accordance with the State law on access to public records, §10-611 *et seq.* of the State Government Article, the Department shall treat the gross sales receipts information it obtains as confidential financial information and shall not permit public inspection of the information; and
    - (f) If a mulch storage and sales operation, conducted as an accessory use to a commercial greenhouse or nursery, does not meet the requirements of items (b) or (c) of this paragraph (4), the operation shall be considered the principal use of the property, and shall be subject to the requirements applicable to a mulch storage and sales operation conducted as a principal use.

- F. Exemptions. Day-care homes, family are exempt from the provisions of this section and shall not require a zoning certificate.

**§ 267-28. Temporary Uses.** [Amended by Bill 12-07, as amended; Bill 12-44; Bill 14-1; Bill 17-04; Bill 18-04 as amended; and Bill 19-29 as amended]

Temporary uses shall be permitted, subject to the following:

- A. Zoning certificate. Temporary uses in this section require the issuance of a zoning certificate unless otherwise specified.
- B. Specific temporary uses. The temporary uses described below shall be subject to the following:
- (1) A carnival, circus or individual public event, excluding religious activities, if permitted within the district, shall be allowed for a maximum period of 45 consecutive calendar days, provided that no structure or equipment shall be located within 200 feet of any residential district. Any request for a carnival, circus or individual public event shall be made at least 15 calendar days before the carnival, circus or individual public event. Should an applicant fail to make a request 15 calendar days prior to the event, the Department may accept the application and issue a Zoning Certificate; however, the applicant is deemed to have waived the right to notice and a hearing. When a carnival, circus or public event, excluding religious activities, accommodates more than 300 people, it shall be subject to the following additional requirements:
    - (a) The zoning certificate shall specify the use, dates and hours of operation of the event. Hours of operation are only permitted between 6:00 a.m. and 11:00 p.m.
    - (b) Adequate arrangements for temporary sanitary facilities must be approved by the State or County Department of Health and Mental Hygiene.
    - (c) No permanent or temporary lighting shall be installed without an electrical permit.
    - (d) The site shall be cleared of all debris at the end of the event and cleared of all temporary structures within 3 calendar days thereafter. A bond in the amount of \$500.00, or a signed contract with a disposal firm, shall be provided to ensure that the premises shall be cleared of all debris.
    - (e) Adequate off-street parking shall be provided, and a stabilized drive to the parking area shall be maintained.
    - (f) It shall be the responsibility of the applicant to guide traffic to parking areas. The applicant shall notify the local enforcement authority and shall provide adequate traffic control.
    - (g) The applicant shall notify the local fire and emergency personnel to determine and identify any emergency response requirements.
    - (h) Temporary use shall not be permitted for a public event at a property where 3 or more arrests based on violations of the Maryland Controlled Dangerous Substances Act, that have occurred at one public event held on that property. Temporary use shall not be permitted for a period not to exceed 1

year from the date of the public event at which the violations occurred. The notice and hearing provisions of §267-8 (Zoning Certificates) shall also apply to the denial of a Zoning Certificate for a public event pursuant to this Subsection provided that the applicant submitted the request for the Zoning Certificate 15 calendar days prior to the event.

- (2) Christmas tree displays and sales for nonprofit organizations shall be permitted in any district for a maximum period of 45 calendar days.
- (3) Contractor's office and construction equipment sheds or accommodations for security shall be permitted in any district if the use is incidental to a construction project. A zoning certificate is not required for these uses; however, a minimum setback of 10 feet from all property lines is required. The office or shed shall be removed upon completion of the project.
- (4) A real estate sales office shall be permitted in any district for rental or sale of dwellings in the project. The office shall be removed upon initial sales of all units. A rental office may be permanently maintained in a rental project.
- (5) Agricultural retail shall be permitted on a seasonal basis, provided that the parcel used for agricultural purposes has sufficient road frontage to ensure safe ingress and egress. Sales area, including produce stands, shall be set back a minimum of 20 feet from the nearest public road right-of-way. Entrances and exits to the required parking area shall be at least 50 feet from any intersection on a local road and 100 feet from all other road intersections.
- (6) When fire or natural disaster has rendered a residence unfit for human habitation, the temporary use of a mobile home, located on the lot during rehabilitation of the original residence, or construction of a new residence, is permitted for a period of 12 months, if water and sanitary facilities approved by the State Department of Health and Mental Hygiene are provided. The Director of Planning may extend the permit an additional 60 calendar days. Further extensions thereof shall require Board approval. The mobile home shall be removed from the property upon completion of the new or rehabilitated residence.
- (7) Hawkers and peddlers sales shall be permitted in the VB, B2, B3 and CI districts, subject to the following additional requirements:
  - (a) The zoning certificate shall specify the type of use and the dates of the sale. The zoning certificate shall be valid for a period of 1 year, at which time, the applicant may apply for another zoning certificate upon complying with the provisions of this section.
  - (b) Only temporary lighting shall be permitted.
  - (c) The site shall be cleared of all debris at the end of the sale and cleared of all temporary structures within 3 calendar days thereafter.
  - (d) The parcel used for the proposed use shall have sufficient road frontage to ensure safe ingress and egress.
  - (e) Sales and display areas shall be set back a minimum of 35 feet from the center line of the road or 10 feet from the public road right-of-way, whichever is greater.

- 
- (f) The proposed use shall not:
    - [1] Generate greater traffic volumes or increased traffic hazards than normally would be expected in the district.
    - [2] Be detrimental to the use or development of adjacent properties or neighborhoods.
  - (g) Sales on any 1 parcel shall not be conducted for more than 185 calendar days in any 1 year.
  - (h) Issuance of certificates.
    - [1] At the time the applicant applies for a zoning certificate, the applicant shall provide the Director of Planning with the following information:
      - [a] The location of the parcel or parcels where the sale or sales are to be located.
      - [b] Written permission from the property owner or the lawful tenant of the parcel or parcels where the sale or sales are to be located, giving approval for the use.
      - [c] A copy of the license issued by the State.
    - [2] A zoning certificate issued by the Director of Planning shall cover all parcels where the sale or sales are to be located.
  - (i) The provisions of this Subsection shall not apply to any exemption as provided for by State law and shall not include the sale by a farmer of any produce grown on, and sold from, the farmer's property.
  - (j) No hawker or peddler shall operate from a vehicle which has a manufacturer's rated capacity greater than 7,000 lbs.
  - (k) The provisions of this Subsection shall not be construed to relieve any hawker or peddler from any law, rule, regulation or resolution enacted by the State of Maryland.
  - (8) Accessory Dwelling Units (ADU).
    - (a) Purpose. The purpose of the accessory dwelling unit is to allow a relative to live in an accessory dwelling unit within a family member's principal dwelling unit.
    - (b) One ADU is permitted on a single lot in the AG, RR, R1, R2, R3, R4, RO and VR districts, provided that:
      - [1] The ADU shall be physically attached to or located within a single-family detached dwelling unit on the lot.
      - [2] If the ADU is located within a new addition to the existing single-family detached dwelling unit, any addition shall conform to all applicable zoning and building code requirements.

- [3] If the ADU results in any renovations to the existing single-family detached dwelling unit, any renovations shall conform to all applicable zoning and building code requirements.
  - [4] The ADU shall be at least 300 square feet in size but shall not exceed the lesser of 1,500 square feet or 50% of the total habitable space of the existing single-family detached dwelling unit.
  - [5] The ADU shall not contain more than 2 bedrooms.
  - [6] The ADU shall be separated from the single-family detached dwelling unit by means of a wall or a floor, with an interior door between the accessory dwelling unit and the principal single-family detached dwelling unit.
  - [7] The ADU shall contain cooking, living, sanitary and sleeping facilities that are physically separated from the principal single-family detached dwelling unit.
- (c) The property owner shall occupy, as his or her legal permanent residence, either the principal single-family detached dwelling unit or the accessory dwelling unit, and the other dwelling unit shall be occupied by the relative.
  - (d) The ADU shall have the same street address as the principal single-family detached dwelling unit.
  - (e) The property owner shall submit the following upon application for a zoning certificate:
    - [1] A signed copy of the ADU Agreement of Understanding; and
    - [2] A copy of the property deed.
  - (f) When the property owner satisfies the requirements of this Subsection, the Department shall issue a zoning certificate to the property owner.
  - (g) In the event of a conveyance of the principal single-family detached dwelling unit to any person other than the current owner, a new zoning certificate issued pursuant to the requirements of this Subsection is necessary to continue the use of the accessory dwelling unit by the new owner and his or her relatives.
  - (h) The zoning certificate for the ADU shall be deemed null and void if:
    - [1] The property is transferred, conveyed or assigned; or
    - [2] The accessory dwelling unit is no longer being occupied by an individual identified in this Subsection; or
    - [3] The property owner no longer occupies either the primary single-family detached dwelling or the accessory dwelling unit; or
    - [4] A violation of any provision of this Subsection.

- (i) Issuance of a zoning certificate for an accessory dwelling unit under this Subsection is not grounds for, or evidence of, a hardship for purposes of a variance under §267-11 (Variances) herein.
