**Date**

Harford County Code § 105-28. **Term of license/registration; renewals.** (In compliance with Maryland Electrician Act of 2021, SB 762)

- A. All master electrician and inactive master registrations issued pursuant to this article shall expire on April 30 of each odd-numbered year.. Applicants for registrations and renewals shall pay to the County a fee for a master or inactive master electrician's registration as provided for by the County Fee Schedule.  
  
(1) After May 1 of the year in which the master electrician's registration expires, a person, firm or corporation shall not engage or hold themselves out as a master electrician unless the registration has been renewed or restored. If application for the restoration is made within 90 days after April 30, a registration which expires because of failure to renew prior to May 1 shall be restored only on the payment of the renewal fee and the restoration fee. If the application for restoration is not made within the ninety-day period after expiration, a renewal may not be issued, and the Board may require compliance by examination before reissuance as if the applicant had never been licensed.
