MEMORANDUM

DATE: November 10, 2014

TO: See Distribution List

FROM: 
Mary F. Chance
Director of Administration

RE: Revisions to Parts 25, 26, 27 and the addition of new Part 28 to the Rules and Regulations

Three parts of the Rules and Regulations of the Division of Water and Sewer have recently been revised and a new part has been added. Through public advertisement, a hearing was held on October 24, 2014 to discuss the proposed changes. Part 25- Design Guidelines, Part 26- Standard Specifications and Part 27- Approved Materials List were revised. New Part 28- Approved Contractors/Vendors for Auxiliary Water and Sewer Construction and Testing was added. The revised pages of these sections are attached.

The changes to the Rules and Regulations became effective on the date noted above. Please replace the current pages with the attached sheets in your copy of the Rules and Regulations. If you prefer, the complete document may be obtained in CD form from the Division of Water and Sewer or downloaded from the Harford County website in the next several weeks.

PART 28 APPROVED CERTIFICATION FOR CONTRACTORS/VENDORS

Approval procedures for certification of Water and Sewer Auxiliary Construction application as required by the Harford County Standard Specification.

All work as described on Sheet #1 requires a written request to the following:

Water and Sewer Chief of Facilities
3111-A Philadelphia Road
Abingdon, Maryland 21009

The request must include projects where the specific function has been performed, along with contact names, phone numbers and or e-mail address which will allow Harford County to contact for references and compliance.

In addition, the request must also include a list of company personnel and years of experience in performing this work and a list of the proper equipment needed to perform the work.

Lastly, the first test project approved will be monitored under the inspection of Water and Sewer for proper procedure and compliance. If final approval is given, the Utility Contractor will be placed on the acceptance list for future work.
